

Direct Donation Drive

*All money raised goes to support
student activities.*

As you know, schools need extra funds to provide above and beyond opportunities and experiences for students that make our school special. We recognize that your time is valuable. Instead of students and families participating in a school wide fundraising event (like a magazine sale), we have shifted our focus to a direct dollar donation.

WE NEED YOU to help make this successful. If we raise \$40 per student, we will reach our \$13,000 goal. The more we raise, the more we can do for our Pirates!

- ☐ \$40 I would have spent this much time and energy on a school wide fundraiser.
- ☐ \$50 Here's a little extra.
- ☐ \$100 I can give more to support CLP Students.
- ☐ \$_____ This is what I can give. Thank you for making it simple this year.

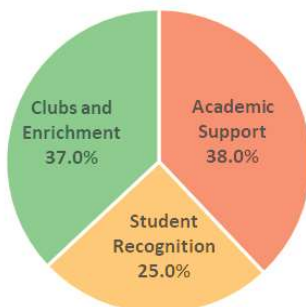

You can donate through School Pay: [Click Here](#)

Or make your check out to Cache La Poudre Middle School and bring it to the front office. *Check with your employer to see if they contribute matching funds.

All of the money raised from the DIRECT DONATION DRIVE directly supports students at CLPMS.
