

CLPMS Pirate Tutorial Release Form

Pirate Tutorial is a service provided by CLPMS for students to stay after school to study, practice instruments, or make up missing work/assessments. It is held Monday, Wednesday, and Thursday 2:40-4:00pm in the Media Center, and is supervised by a CLP staff member. We will begin on September 4th. There may be days throughout the year that PT is cancelled. Please make sure your student listens to announcements and communicates with you as needed.

This service is unique to CLPMS, and we provide it because we know transportation to and from Laporte is complicated with how far our families live. We pay staff to run PT out of school funds. If you plan to have your child attend often, please consider donating up to \$100 to assist offset this cost. This can be done with a check or in School Pay.

Students who attend PT are expected to comply with directives, follow school rules, report directly to PT after school, and leave when indicated on the Release Form. Any student who reports after 2:40pm and/or who does not follow the rules will lose the privilege to attend PT. Student attendance is on the honor system between the parent and child. Parents wanting to check attendance will need to email Mrs. Lynn Campion at lcampion@psdschools.org to inquire.

Students are not allowed to leave PT at any other time except the time you indicate on the Release Form below. For early check out you will need to call the Media Center at 488-7409. **Due to safety concerns your child will not be released if you call or text their cell phone.**

Please note that there will be days PT is held in a classroom due to meetings being held in the library. If you do not reach someone at 488-7409, call 488-7437.

Please select a release time option, sign the form, and return the form to the Main Office. Release statements are kept for the school year. If circumstances change, please submit a new Release Form (found on the CLPMS web site). Additional Release Forms are available in the Front Office and at Pirate Tutorial.
