7:40am-2:30pm

6th Grade Navigation Day

1st Day of School for 6th Graders!

Welcome to Cache La Poudre Middle School!!! The purpose of this orientation is to support a positive transition to middle school. Our 8th grade mentors, (Navigators), will be 6th graders' guides for the day. Activities will take place throughout the day, including going through your entire schedule and meeting your teachers. We can't wait to meet you!

Tips for the Day:

- Pick up your class schedule from CLPM on Monday, August 11th between 1:00-2:00 pm. You may also bring school supplies, and practice opening your locker on this day. (Updated schedules will also be available on ParentVue on August 11th).
- Please do not bring school supplies to school on August 18th. (You can bring them on schedule pick up day on August 11th, or on August 19th).
- School lunches will be available, or 6th graders may bring one from home. It would be a good idea to bring a water bottle!
- Buses will run their normal schedule that day.
