CLPMS Pirate Tutorial Information and Release Form

Pirate Tutorial is a service provided by CLPMS for students to stay after school to study, practice instruments, or make up missing work or assessments. It is held Monday and Thursday from 2:45-4:00 pm in the Media Center, and is supervised by a CLP staff member. We will begin on September 10th and end on May 13th. There may be days throughout the year that it is cancelled. Please make sure your student listens to announcements and communicates with you as needed.

This service is unique to CLPMS, and we provide it because we know transportation to and from Laporte is complicated with how far our families live. We pay staff to run Pirate Tutorial out of school funds. If you plan to have your child attend often, please consider donating up to $100 to assist offset this cost. This can be done with a check or in School Pay.

Students who attend Pirate Tutorial are expected to comply with directives, follow school rules, report directly after school, and leave when indicated on the Release Form. Any student who reports after 2:45pm and/or who does not follow the rules will lose the privilege to attend PT. Student attendance is on the honor system between the parent and child. Parents wanting to check attendance will need to email Mrs. Lynn Campion at lcampion@psdschools.org to inquire.

Students are not allowed to leave PT at any other time except the time you indicate on the Release Form below. For early check out you will need to call the Media Center at 970-488-7409. Due to safety concerns your child will not be released if you call or text their cell phone.

Please note that there will be days PT is held in a classroom due to meetings being held in the library. If you do not reach someone at 970-488-7409, call 970-488-7437.

Please select a release time option, sign the form, and return the form to the Main Office. Release statements are kept for the school year. If circumstances change, please submit a new Release Form found on the CLPMS web site, in the Front Office or at Pirate Tutorial.

The purpose of Pirate Tutorial is to promote student learning and success by providing a productive time and place for students to work after school.

Pirate Tutorial is for any student who would like to stay after school to complete work. Pirate Tutorial Release forms can be obtained from the Front Office, the CLPMS Web Site or in the Media Center.

Daily attendance will be tracked. Students utilizing Pirate Tutorial are required to sign in by 2:50pm. Once signed in, students must remain in Pirate Tutorial until the release time indicated on their release form.

- Students are expected to follow our Pirate Tutorial expectations
- All CLP MS and PSD policies and expectations, including the CLP Student Handbook are in effect

CLPMS will dismiss any student for any length of time for failure to comply with these rules. Students not picked up on time may lose the privilege to attend Pirate Tutorial.
